A BERKLEY
COMPANY

OUR MISSION

We intend to become the premier writer of professional liability insurance, with a focus on large public and private companies in the U.S. and Canada. We bring over 40 years of combined underwriting experience and customer relationships in professional liability lines of insurance to the BerkleyPro enterprise. We draw upon this expertise to provide world-class underwriting and claims handling service to our brokers and insureds.

COMPANY DESCRIPTION

BerkleyPro is an underwriting management company, and a member company of W. R. Berkley Corporation, which specializes in professional liability insurance (directors and officers liability, fiduciary liability, and employment practices liability) for publicly traded and private entities based in the U.S. and Canada. Founded in October 2008, BerkleyPro provides coverage for Directors and Officers Liability, Fiduciary Liability, Employment Practices Liability and most recently (April 2011) Sponsored Insurance Agents Professional Liability through independent agents and brokers. In 2010, BerkleyPro was able to draw upon its strong client and broker relationships and its focus on customer service to grow its business both in terms of premium and volume, obtaining placements on prestigious Fortune 500 and 1000 accounts in the competitive directors' and officers' arena. Consistently valued by brokers for its excellent customer service and product knowledge, BerkleyPro will continue to focus on underwriting strength and service capabilities to differentiate itself from the competition and profitably garner market share in 2011 and beyond.

ABOUT W. R. BERKLEY CORPORATION

W. R. Berkley Corporation, founded in 1967, is one of the nation's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.
