

BERKLEY LIFE SCIENCES, LLC

Berkley Life Sciences is a preferred market for the Life Sciences industry, offering sophisticated products and services that meet the individual customer's needs.

A BERKLEY
COMPANY

OUR MISSION

Our goal is to be the thought leader in providing innovative products and services to our life sciences customers. We are committed to providing these products and services in ways that demonstrate that we understand the various business cycle challenges our customers face, and that one size does not fit all. We are committed to achieving high marks for ease of doing business, and maintaining our reputation for extensive industry knowledge which results in better service, products and pricing for our customers. We are committed to providing a stable and consistent long-term market for the Life Sciences industry.

COMPANY DESCRIPTION

Founded in May 2007, Berkley Life Sciences offers an array of casualty products designed for the Life Sciences industry. Our market knowledge and specialized expertise enable us to provide unique and valuable products and services, as well as access to the resources of the W. R. Berkley Corporation.

Berkley Life Sciences offers commercial general liability, products liability, professional liability, and commercial excess through select retail and wholesale distribution channels on a non-admitted basis, with the expectation of expanding its offerings in the future.

We provide primary and excess casualty insurance to the following specialized markets:

- Drug & Biologic Companies
- Medical Device Companies
- Dietary Supplement Companies
- Medical Device Software Companies
- Contract Service Organizations
- Research Institutions and Organizations
- Other Related Segments

HOW BERKLEY LIFE SCIENCES IS DIFFERENT

Our expertise and our commitment to developing products and services that meet the varying needs of our customers is what sets us apart. We believe in the value of meeting, listening to, and understanding the needs of our customers. We believe in the value of understanding the excitement and challenges of our customer's business in order to provide the best product at a fair price, and services to support the goals of our customers.

ABOUT W. R. BERKLEY CORPORATION

W. R. Berkley Corporation, founded in 1967, is one of the nation’s premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.
