A BERKLEY
COMPANY

THE MONITOR DIFFERENCE

At Monitor, it's not just the company. It's the people. We have the proven record, financial strength and people to provide our clients with first-rate protection. Our business focus and broad experience set us apart in the industry.

We understand the long-term nature of the professional and executive liability business. Our consistency of leadership and industry expertise provide our clients with insurance products unsurpassed in the marketplace.

COMPANY DESCRIPTION

Founded in 1992, Monitor writes insurance on behalf of member companies of the W. R. Berkley Corporation. Those companies include Admiral Insurance Company, Berkley Insurance Company, Berkley Regional Insurance Company, Carolina Casualty Insurance Company and Nautilus Insurance Company.

Monitor's current line of professional and executive liability insurance products include Accountants Professional Liability, Directors and Officers Liability, Employment Practices Liability, Independent Director Liability, Lawyers Professional Liability, Management Liability and Nonprofit Management Liability.

As a member company of W. R. Berkley Corporation, Monitor provides its insureds with access to the resources of a large corporation combined with the outstanding customer service of a smaller company.

DISTRIBUTION

Monitor distributes its professional and executive liability products to the marketplace through appointed and licensed independent agents and brokers on a nationwide basis. These production sources focus on small to middle market companies.

ABOUT W. R. BERKLEY CORPORATION

W. R. Berkley Corporation, founded in 1967, is one of the nation's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.

FINANCIAL HIGHLIGHTS

Monitor continues to grow its specialty products in targeted niche markets. There were 15,800 policies-in-force as of year-end 2008, an increase of 16 percent since 2007.
