

BERKLEY LIFE SCIENCES, LLC

2006 At A Glance

Berkley Life Sciences is a preferred market for the Life Sciences Industry, offering sophisticated products and services that meet the individual customer needs.

OUR MISSION

Our goal is to be the thought leader in providing innovative products and services to our life sciences customers. We are committed to providing products and services in ways that demonstrate that we understand the various business cycle challenges our customers face. We understand that one size does not fit all. We are committed to achieving high marks for ease of doing business. We are committed to maintaining our reputation for strong industry knowledge which results in better service, products and pricing for our customers. We are committed to providing a stable and consistent long-term market for the Life Science Industry.

COMPANY DESCRIPTION

Newly formed in May 2007, Berkley Life Sciences offers an array of casualty products designed for medical device, pharmaceutical and biotechnology, dietary supplement, and contract research companies, as well as other industry segments related to the Life Science Industry. Our market knowledge and specialized expertise enable us to provide unique and valuable products for the Life Science Industry.

Berkley Life Sciences will offer commercial general liability, professional liability, and commercial excess and umbrella liability through select retail and wholesale distribution channels on a non-admitted basis initially. We underwrite on behalf Gemini Insurance Company, which carries an A.M. Best Financial Strength Rating of A (Excellent) and a Financial Size Category of XV, and an A+ (Strong) Financial Strength Rating by Standard & Poor's.

HOW BERKLEY LIFE SCIENCES IS DIFFERENT

Our expertise and our commitment to developing products and services that meet the varying needs of our customers is what sets us apart. We believe in the value of meeting, listening to, and understanding the needs of our customers. We believe in the value of understanding the excitement and challenges of our customer's business in order to provide the best product at a fair price. We believe in the value of taking this insight and developing the products and services to support the goals of our customers.

JILL WADLUND
President

Jill Wadlund launched Berkley Life Sciences in May of 2007. Prior to joining Berkley, Jill was the Vice President and Worldwide Life Sciences Casualty Manager for a major worldwide insurance company. Jill has over 13 years experience in the Life Sciences Insurance Industry.

ABOUT W. R. BERKLEY CORPORATION

W. R. Berkley Corporation, founded in 1967, is one of the nation's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.
